TIVERTON GOLF CLUB VETERANS' SECTION

IMPORTANT INFORMATION

As of April 1st 2010

CONGU, the Authority which lays down the rules for Handicaps, has advised that, under their Rule 6, players are required to play in three qualifying competitions in each Calender Year. Failure to do so results in players not being eligible to win prizes in competitions the following year until re-qualified.

CONGU intend to introduce “**inactive**” handicaps in 2010 for players who fail to return 3 qualifying scores in the calender year 2009. Players will find their handicap **has a suffix letter “i” for example 16i.**

This will appear on handicap certificates until players re-qualify.

The above information should be taken **seriously** because of restrictions which non qualified players will face when wishing to play in away opens or matches.

The Veteran's Committee **strongly** advise that all players ensure that they have entered at least 3 qualifying cards before the end of 2009.

Don't forget that, as the end of the year approaches some of the competitions, may not be qualifiers because of winter rules etc. So don't hang about.
